

Sexual Assault Program of Beltrami, Cass & Hubbard Counties

Mission Statement:

The Sexual Assault Program's mission is to provide support for all victims of all levels of sexual violence, and to educate the community about the issues of sexual violence, and to promote changes in attitudes and behaviors to stop sexual violence.

Membership Form

Our organization cannot survive without its membership. We count on you, the membership, to provide guidance and to be our voice in your community. We also count on our members to help financially support us. Our budget is limited, which in turn limits what we can do in the community. Unless we can fundraise and have strong membership support, we have to rely solely on grants to fund us, which are very limited as well.

As a member, you may become directly involved as an ad hoc committee member, volunteer, or even as a member of the board. You will receive our quarterly newsletter which keeps you informed on the Sexual Assault Program's events and activities. Please consider joining today.
